TRAVEL TIPS

WHEN TO GO

The weather in the UK and Ireland varies throughout the year and they experience four distinct seasons, at times overlapping. There's always a great reason to visit, no matter what the season.

Summer (June to August) is the warmest season, with long sunny days and cooler evenings. Take advantage of the extra daylight hours to explore quaint country villages or dine alfresco.

In autumn (September to November), the temperature starts to dip and nights become colder. It's a beautiful time to visit as the countryside is ablaze with colour as autumn leaves turn riotous shades of yellow, orange and red.

Winter (December to February) brings shorter days and cold conditions, often with rain and sometimes snow. It also brings Christmas, a magical time of year with markets, mulled wine and hot chocolate.

In spring (March to May), the days slowly get longer and temperatures warmer but it can still be quite wet and windy. However, spring showers bring May flowers and the Chelsea Flower Show!

GETTING AROUND

The best way to discover the UK and Ireland is by car or rail. Self drive holidays allow you to explore at your own pace. Remember in the UK and Ireland, driving is also on the left hand side of the road. Travelling by train is a scenic and relaxing way to see the country and adds a sense of adventure to your trip.

PRICES & CONDITIONS

This brochure was produced on 17 November 2023. Unless otherwise stated, prices are in Australian dollars and include GST where applicable. Exchange rates used when pricing this brochure are as at 7 November 2023. All prices are subject to availability, subject to change and can be withdrawn or varied without notice. Prices are to be used as a guide only. Accommodation prices are based on the lowest room category in low season. All other prices are based on travel in low season. Some prices are based on dynamic rates, which means the price may be higher or lower than the advertised price if the price has been varied by the supplier after this brochure was printed. Price changes may occur by reason of matters outside our control which increase the cost of the Product or Service. Such factors include (without limitation) adverse currency fluctuations, fuel surcharges, or increases to taxes. Surcharges and minimum stays may apply due to demand, Christmas and New Year's Eve, school and public holidays, special events and other circumstances. All prices are the lowest available prices at the time of print and are a guide only. Please check all prices, availability, fees, conditions and information with your travel agent before booking.

If we must change any part of your booking for reasons beyond our control, for example, an Accommodation Supplier overbooks accommodation, or if there is an increase in taxes or Supplier charges, we will notify you. If any such changes result in your holiday costing more or otherwise being materially different from that originally booked, you may cancel the booking and we will refund any monies already paid less any charges levied by Suppliers.

PRICES DO NOT INCLUDE

Anything not specifically indicated as being an inclusion.

OMISSIONS & ERRORS

While every effort is made to ensure the accuracy and currency of the information in the brochures, errors or omissions may occur. All errors and omissions identified post the date of publication are notified to our retail partners to advise you. Please check with your agent for all up-to-date corrections, including prices and inclusions.

DEPOSITS & FINAL PAYMENTS

Deposit

A minimum non-refundable deposit of \$55 per person is payable within 7 days of confirmation of your booking. You will be notified at the time of booking if any additional deposit is required. All deposits are non-refundable for changes of mind or cancellations by you (subject to your rights under the Australian Consumer Law).

Final Payment

Final payment of your holiday cost is required no later than 30 days prior to departure or by sale end date or by the payment deadline specified in individual package conditions, whichever is earlier. Some services may require full payment at the time of booking. For bookings made less than 31 days prior to travel, full payment of holiday cost is required at the time your booking is confirmed.

Please ensure payments are made by the due dates. If this does not happen, our system will automatically cancel the booking without notice or liability to you.

Only upon payment of the full cost of your holiday do you have a final booking with the Supplier of the relevant good and/or service. In arranging your booking, Viva Holidays is acting as the agent of the Supplier of the relevant Product and at no time do you have a contract with Viva Holidays.

CREDIT & DEBIT CARD SURCHARGES

A fee will apply for payments made by debit and credit cards. Fees may vary depending on card type. Please check this fee with us or your travel agent when booking.

FEES

Amendment Fees

If you wish to change your booking prior to departure, an amendment fee of \$30 will be charged if the overall value of the booking remains the same or decreases, in addition to any fees imposed by the Supplier of each service booked.

Late Booking Fees

A fee of \$30 will be charged for all bookings made less than 7 days prior to travel.

All fees can be varied without notice.

CANCELLATIONS & REFUNDS

Prior to Final Payment

Your deposit is forfeited.

After Final Payment

There will be no refund of your deposit, in addition to any fees imposed by the Supplier, which may be up to 100% of monies paid.

After Travel

There will be no refund if you cancel your booking once travel has commenced. There will be no refund for unused services, except for OPEN DATED services where the service was not booked with the Supplier. Requests for refunds received more than 6 months after departure date will not be accepted.
