Home to stunning waterfalls, magnetic termite mounds and weathered sandstone pillars, it also boasts scenic walking trails and 4WD tracks.

NATURAL WONDERS

The Territory is home to some of the most fascinating natural wonders in the world. Uluru is Australia's most recognisable natural icon. Kata Tjuta's 36 rock domes offer an astounding sight as does the 270 metre high chasm of Kings Canyon and the towering sandstone cliffs Nitmiluk (Katherine) Gorge.

TOP END WILDLIFE

Watch huge Saltwater crocs enjoy their lunch, or for the brave, jump into the Cage of Death and experience the thrill of an up close encounter at Crocosaurus Cove. Take a Yellow Water Cruise in Kakadu to catch crocodiles in the wild, as well as a variety of wildlife including horses, buffalo and birdlife.

ABORIGINAL CULTURE

Experience Indigenous culture in the Territory. Discover Aboriginal rock art at Nourlangie Rock and Ubirr in Kakadu. Visit art markets, have morning tea with a group of Tiwi women elders in the Tiwi Islands. Join a guided walk of Uluru's sacred sites and hear stories of traditional Anangu life.

NATIONAL PARK WATERFALLS

The Top End is home to some of the most spectacular waterfalls. Don't miss the Southern Rockpool in Nitmiluk National Park. Swim beneath Litchfield National Park's magnificent Wangi Falls. In Kakadu, see the split cascade of Twin Falls and the raging waterfall at Jim Jim.

- Explore the spectacular sandstone walls and watering holes at Glen Helen

TRAVEL TIPS

WHEN TO GO

The Top End has two distinct seasons, the green season (November to April) and the dry season (May to October). The dry season generally has dry sunny days with cooler nights while the green season is characterised by high humidity, monsoonal rains and storms and is the best time to see waterfalls.

The climate in The Red Centre is one of extremes with hot summers, cold winters and very little rain all year round.

GETTING AROUND

BY RAIL

Take the ultimate journey through the heart of Australia on The Ghan. This amazing rail journey begins in Adelaide and traverses the Red Centre, passing through Alice Springs and Katherine before concluding in Darwin in the Top End (also operates in reverse). See page 9 for more details.

BY CAR

Take the time to explore and discover as you make your way through the Northern Territory by road. We offer a selection of suggested driving itineraries, providing you with the freedom to see the Northern Territory at your own pace. Refer to the Self Drive Holidays starting on page 16 for more details.

Speed limits apply in all urban areas and highways of the Territory. Travellers should drive at a speed that suits the road, vehicle, weather conditions and their driving experience. Avoid driving after dark as cattle and wildlife often congregate alongside outback highways.

NATIONAL PARKS PASSES

All visitors must purchase a National Park Pass prior to entering most parks. As this fee is not payable directly to the hotel or tour operator and because there are a number of different options available, this fee is not included in the prices featured on individual accommodation and tour listings in this brochure, unless otherwise specified. Park passes can be purchased from National Park Entry Stations in the Northern Territory or online at parksaustralia.gov.au, where you can also find full details of the various options available for purchase.

ABORIGINAL LAND ACCESS

Driving over Aboriginal owned land and access into Arnhem Land is restricted. Visitors must apply for a permit from the Northern Land Council or alternatively choose a tour where operators have permission from the traditional owners to enter their land.

ABORIGINAL CULTURE

Almost one quarter of the Northern Territory's population are Aboriginal people and approximately half of the Territory is Aboriginal owned land. Family business and ceremonies are important to Aboriginal people and these matters take priority, which may alter scheduled tours or restrict access to sites with spiritual significance.

SWIMMING

The Northern Territory has many safe places to swim, including local nature reserves and in some national parks. Salt and Freshwater crocodiles are found in most Top End billabongs and rivers, and are occasionally seen on remote beaches. This is generally sign-posted, but if you are unsure, don't swim. Beach swimming is not recommended from October to April due to marine stingers.

EXPERIENCES YOU'LL LOVE

The best part of any journey is the experiences you have along the way, leaving you with memories to relive long after the holiday is over.

The Northern Territory has countless amazing things to see and do. Here are some of our favourites to inspire your wanderlust.

Kata Tjuta

TAKE FLIGHT OVER ULURU & KATA TJUTA

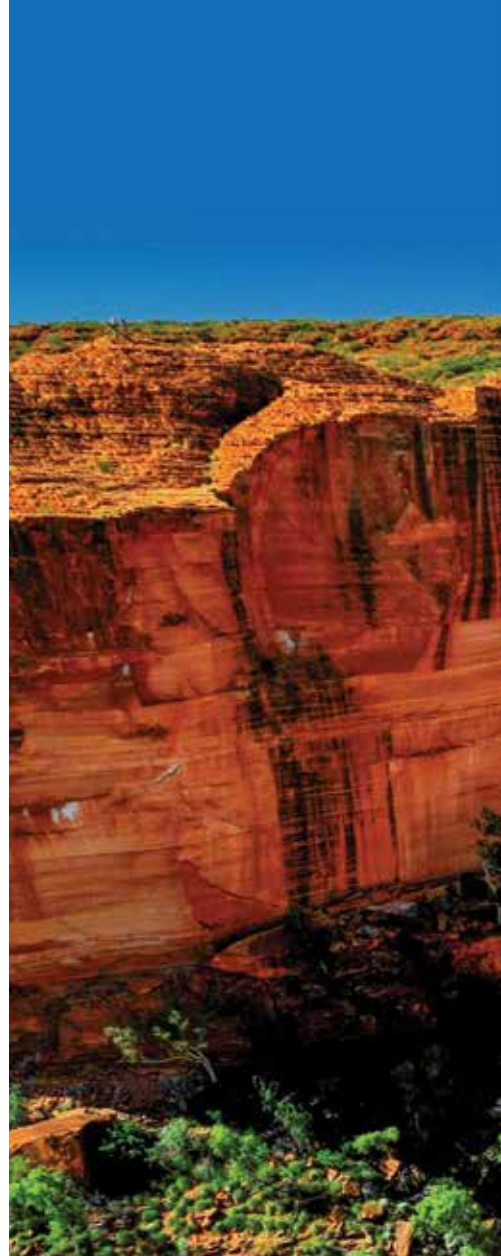

Take to the air for a bird's-eye view of Uluru and Kata Tjuta. A scenic helicopter flight provides a once-in-a-lifetime opportunity to see the full expanse of these two majestic natural wonders as so much of these sacred sites is off-limits from the ground. Choose a sunrise or sunset flight and marvel as the sunlight plays with the landscape, changing the colours of these mighty rock formations from red to orange and purple. Take a short flight or an extended flight, but whatever you do, don't miss this thrilling experience.

Kings Canyon

KINGS CANYON RIM WALK

Surround yourself with 100 metre high sandstone walls and palm-filled crevices as you step deep into the heart of Kings Canyon. Start early in the day and take in the breathtaking views as you walk along the red rock cliffs on the Kings Canyon Rim Walk. Continue your journey through Priscilla's Crack, made famous by the classic Australian movie, *Priscilla, Queen of the Desert*. For an easier hike, the Kings Creek trail follows a track between two soaring canyon walls to a lookout point. Be welcomed by spectacular views of the sheer cliff face at the far end of the canyon.

Field of Light, Uluru

AMAZING LIGHT DISPLAYS

The outback night offers the perfect backdrop for spectacular light shows. Don't miss the chance to see acclaimed international artist, Bruce Munro's incredible light installations; Field of Light at Uluru or the Light-Towers at Kings Canyon. Enjoy the serenity of the outback as you wander through these illuminated experiences under a starlit sky. The latest addition to this range of experiences is Wintjiri Wiru which is an immersion into Anangu culture. From an open-air desert theatre, see a stunning show of choreographed drones, lasers and projections that light up the desert sky and bring to life the ancient Mala story of the Anangu people.

Wintjiri Wiru, Ayers Rock Resort

WEST MACDONNELL RANGES

The West MacDonnell Ranges, stretching 161 kilometres west of Alice Springs, are the perfect backdrop to explore the scenic beauty and history of the area. Take a short walk on one of the well-marked walking tracks or tackle the challenging 223 kilometres of the Larapinta Trail. Cool off with a refreshing dip in a watering hole such as Ellery Creek Big Hole, Ormiston Gorge or Glen Helen Gorge and go in search of rare plants and wildlife. This beautiful part of the Northern Territory is not to be missed.

Ormiston Gorge

Get up close, but not too close, as they show off the natural hunting techniques they use to catch birds and flying foxes. Learn about crocodile biology, territorial habits and their value to the eco system from knowledgeable wildlife enthusiasts who know the crocs by name and personality. Make sure to have your camera ready!

ULTIMATE ULURU

4 DAYS/3 NIGHTS

Day 1: Arrive Uluru (D)

Be met on arrival at Ayers Rock Airport and transferred to your hotel. The remainder of the day is at leisure.

Enjoy a drink in the Walpa Lobby Bar, before an exclusive Tali Wiru welcome dinner. Sip champagne and nibble on canapés as you watch a spectacular sunset to the sounds of a didgeridoo performance.

This exclusive four-course dinner is paired with premium Australian wines while an indigenous storyteller shares the culture, history and spirituality of this beautiful land. This is so much more than a dining experience; it's a moment in time you will remember forever.

Day 2: Uluru Highlights and Sacred Sites Flight (BD)

It will be worth the early wake-up call this morning, to experience the tranquillity of the pre-dawn outback and watch the stunning metamorphosis of colour as the desert slowly comes alive. Travel to a special location to watch the sun rise over Uluru and enjoy an outback picnic breakfast. Once the sun is up, visit Mutitjulu Waterhole on the Kuniya Walk. After this short walk, drive around the base of Uluru and hear the story of the Mala people.

Next, head to the Uluru Cultural Centre for a private dot painting workshop with a local Anangu artist. During this special experience, you will learn about traditional art, symbols, and tools as the artist shares their culture with you to gain a better understanding of Aboriginal paintings.

This afternoon, get ready for the ultimate adventure and experience the true majesty of Uluru and Kata Tjuta from the air. Fly by Uluru and across to the spectacular domes of Kata Tjuta for a view that will leave you speechless. So much of these sacred sites is off-limits from the ground, so the only way to truly appreciate the vast size and amazing landscape is from the air.

Late afternoon, be whisked away to a dune top location and sip delicious cocktails, while watching the changing colours of Uluru and Kata Tjuta as the sun slowly sinks

below the horizon. Take your seat in the open-air desert theatre and embark on a culinary adventure with a gourmet dinner hamper. Prepare to be amazed as Wintjiri Wiru, Uluru's breathtaking new light and sound show, brings to life a chapter of the Mala story of the Anangu people. Watch in awe as the night sky comes alive with choreographed drones, lasers and projections taking flight to light up the night sky.

Day 3: Kata Tjuta and a Night at Field of Light (BLD)

An early start this morning to experience the magnificence of a Kata Tjuta sunrise. On arrival at the viewing area, walk to the best vantage point to see the 36 domes that comprise this spiritual place, watching as the sun's morning glow brings the desert to life. The tour then heads to the western side of Kata Tjuta where you'll enjoy an outback picnic breakfast. Approaching the entrance to Walpa Gorge, your guide will share the significance of this men's sacred ceremonial site.

Return to the hotel before enjoying lunch at Mangata Bistro and Bar. The remainder of the afternoon is free.

Late this afternoon, transfer to a remote desert location to enjoy gourmet canapés and chilled sparkling wine, as you take in one final breathtaking Uluru sunset. As darkness falls, watch in awe from the top of your private dune as a fantasy garden, featuring 50,000 spindles of light, gently comes to life. Then join your fellow travellers for an exceptional three-course menu infused with bush tucker flavours. After dinner, immerse yourself in the stunning art installation, Field of Light, its pathways glistening softly with rhythms of coloured light, beckoning you to explore at your own pace. This will be a truly magical evening.

Day 4: Uluru (B)

Enjoy a final leisurely breakfast before transferring to the airport for your flight home.

TRAVEL TIPS

WHEN TO GO

You can visit South Australia anytime of the year. The summer months are hot and dry, perfect for spending at the beach and exploring coastal towns. During autumn, the days are sunny and temperatures are milder. Adelaide Hills is the perfect spot to see fiery red and orange autumn leaves. In winter the temperatures drop and frosts are common. It is also the wettest season; however South Australia is the driest state in Australia. South Australian springs are awash with colour. Trees are a lush green and flowers are in bloom. Adelaide is bathed in deep purple with jacarandas flowering. Roam through the golden fields in the Clare Valley and see the almond blossoms on the Fleurieu Peninsula.

GETTING AROUND

BY RAIL

Take the ultimate journey through the heart of Australia on The Ghan. This amazing rail journey begins in Adelaide and traverses the Red Centre, passing through Alice Springs and Katherine before concluding in Darwin (also operates in reverse). Take the Indian Pacific, traversing coast to coast from Perth to Adelaide to Sydney.

BY CAR

Take the time to explore as you make your way around South Australia by road. Discover rugged national parks, beautiful beaches and country towns from the comfort of your rental car. See pages 6 and 7 for car hire options.

Driving conditions in South Australia are varied. Take care when travelling in remote areas during summer, as temperatures in Outback Australia can reach over 40°C. Avoid driving after dark as cattle and wildlife often congregate alongside outback highways at night. Major roads on Kangaroo Island are sealed, however the majority of roads are unsealed and require reduced speed and caution. Travellers should drive at a speed that suits the road, vehicle and weather conditions.

BEACH SAFETY

Australia has some of the world's best beaches, however care and caution should be exercised at all times. Please remember to swim between the red and yellow flags and listen to instructions from lifesavers and lifeguards.
